Reception Baseline

EYFS baseline assessment is a national assessment that will be administered in all primary schools in England to children in reception classes.

It is a short and simple check of a child's early literacy, communication, language and maths skills when they begin school.

This will provide the basis for a new way of measuring the progress primary school pupils make with their pupils.

Staff will complete with the children in the first few weeks of the autumn term.

All parents of children in F2 will have access to Tapestry so that the F2 team can record photographs and observations all in line with the Early Years Foundation Stage. Tapestry can also be used as a communication tool between home and school.

As a parent you will have secure access to Tapestry and in addition to viewing our contributions, we encourage you to add to it by uploading photographs and comments, or commenting on observations made by us.

Lunchtimes

Your child will wash their hands before going into the lunch hall to have their hot dinner or their packed lunch.

F2 pupils will go into the dinner hall before other children in the school. We give our F2 pupils longer to eat their lunch, so that we can ensure that they have more quality time to eat their lunch.

*School will then liaise with Edsential (catering company) and parents to ensure the required paperwork is completed so that your child can have a hot dinner as soon as they start staying for lunches.

*Medical letters are required as part of this so please collate ready to submit.

Outdoor Play and Learning School
