

YEAR 5 HOME LEARNING

WB 11th May 2020

 <p>READING</p>	 <p>MATHS</p>
<p>Reading lesson: The London Eye Mystery by Siobhan Dowd</p> <p>I spotted this on BBC Bitesize and thought you might like to have a go as it's a book we know and it's always fun to revisit a familiar book.</p> <p>Follow the link https://www.bbc.co.uk/bitesize/articles/zmjgq3</p> <p>Please remember to keep reading at home every day. You should be reading independently but also, if you can, read and share a book with an adult.</p>	<div data-bbox="810 465 901 555">  </div> <p>This week, WHITE ROSE MATHS focuses on area and fractions.</p> <p>Day 1- Area of rectangles – remember your units of measure</p> <p>Day 2- Equivalent fractions</p> <p>Day 3- convert between improper and mixed numbers (Top tip for Q6 and 7 – be methodical!)</p> <p>Day 4- compare and order fractions (finding equivalent fractions will help to answer these)</p> <p>Please complete the worksheets for each day either on the worksheets or writing the answers into your home learning book. The worksheets can be downloaded from the home learning area of the VLE.</p> <div data-bbox="817 1249 973 1355">  </div> <p>If we had been in school we would have begun to look at 'Converting Units of Measure'</p> <p>Follow the link to the Oak National Academy https://www.thenationalacademy/online-classroom/year-5/maths#subjects and try the following 5 lessons.</p> <ul style="list-style-type: none"> • To convert between seconds, minutes and hours • To solve problems involving converting between hours and minutes • To convert between units of length • To apply length conversions to problems • To find the perimeter and convert units of measurement.

SPELLING

ei and ie words

- priest
- piece
- review
- fiery
- pierce
- field
- quiet

Spend some time practising these words.

WRITING

Please go into the homework section of the VLE and open up the powerpoints: English MMP Session 3 and English MMP Session 4.

We continue our journey through our class book.

Topic or Science Work

The project is still available for you to try for the next few weeks.

This term in Y5 we would have been studying plants. Please see the project that I have put together for you to be able to find out all about plants.

This will include some computing, science & art work.

Can you make a poster to show everything you have learnt about plants and upload it to the VLE for everyone to see?

Additional Grammar work:

You don't need to do any additional grammar tasks as there is a lot of grammar within the PowerPoint sessions. However, if you want to do some specific sentence work on relative clauses, I've added a worksheet for you to try.

PSHE

Please see the attached health and well-being ideas from some of our school staff. How many of them can you complete?

Think about which of these you might be able to use if you are feeling a little bit down or a bit upset at times.

Remember the most important thing right now is to stay safe and healthy.

Please look after your family and make sure that you are being kind and trying your best all the time.
