

# YEAR 2 HOME LEARNING

W/B 4<sup>th</sup> May 2020

 Maths	 Reading
 <p>This week, WHITE ROSE MATHS focuses on ADDITION AND SUBTRACTION as we would be if we were in school. These are the new lessons this week...</p> <p>Day 1- Fact families, addition and subtraction bonds to 20.</p> <p>Day 2- Compare number sentences</p> <p>Day 3- Related facts</p> <p>Day 4- Add and subtract ones</p> <p>Day 5- Challenge</p> <p>Please complete the worksheets for each day either on the worksheets or writing the answers into your home learning book. The worksheets can be downloaded from the home learning area of the VLE.</p>	<p>If we were in school our class read would've been Fantastic Mr. Fox by Roald Dahl. You could read this at home if you have a copy or any fiction book you have, just as long as you are reading!</p> <p>You can also read books that are similar to the scheme we use in school</p> <p><a href="https://connect.collins.co.uk/school/portal.aspx">https://connect.collins.co.uk/school/portal.aspx</a>.</p> <p>The comprehension this week is a variety of texts linked to our science topic 'Animals and Living Things'. These can be downloaded from the home learning area of the VLE.</p>
<p>If you would like an extra challenge:</p>  <p>You can develop your SHAPE knowledge by following the link to the Oak National Academy</p> <p><a href="https://www.thenationalacademy/online-classroom/year-2/maths#subjects">https://www.thenationalacademy/online-classroom/year-2/maths#subjects</a> and try the first 5 lessons:</p> <ol style="list-style-type: none"><li>1. Identify shapes by the number of sides and vertices.</li><li>2. Identify right angles in shapes.</li><li>3. Recognise lines of symmetry within 2-D shapes.</li><li>4. Name and describe 3-D shapes.</li><li>5. Identify 2-D shapes on the surface of 3-D shapes.</li></ol>	 Writing
	<p>Please go into the homework section of the VLE and open up the powerpoint. Here you will be guided through your English activities for the week. There will be a mixture of grammar, punctuation and writing activities all linked to the text that you would have been studying in school.</p> <p>You will also find your weekly spelling list to learn, your parents may test you at the end of the week!!! You can either print this off or copy them into your home learning book.</p>

 <h2>Topic</h2>	 <h2>Science</h2>
<p>This term our topic would have been all about our local area and how we can look after our environment and community. Please see the home learning project with a range of activities related to this topic for each subject.</p>	<p>We have been learning about Living Things and their Habitats. We will now be moving onto learning about plants. You will find some activities linked to this on your home learning project and I may add more activities to next week'</p>
 <h2>PSHE</h2>	<p>Remember the most important thing right now is to stay safe and healthy.</p>
<p>Please see the attached health and well- being ideas from some of our school staff. How many of them can you complete?</p> <p>Think about which of these you might be able to use if you are feeling a little bit down or a bit upset at times.</p>	<p>Please look after your family and make sure that you are being kind and trying your best all the time.</p>
