Dear Parents/Carers,

I just wanted to write to you all following the curriculum session that we held last night. It was lovely to see so many parents there and I am very grateful for your support.

I hope that parents can see that, as the new Headteacher of the school, I am completely committed to driving school improvement. I am so passionate about providing the best educational experience for your child/ren (during the time they are here) and want them to leave Gayton well equipped for the next stage of their education.

There is no doubt, that Gayton is a very special place to be with dedicated teachers, governors, parents and pupils who are a true delight to be around. I just want to ensure that Gayton really does attain high standards of achievement and attainment for all our pupils, whilst maintaining its happy, friendly and welcoming atmosphere.

I look forward to working in partnership with you all over the next few months and years as we embark on our exciting school improvement journey.

We will be uploading the curriculum presentations to the school website over the next few days for your reference.

Thank you for your support.

Kind regards

Mrs McAleny
