22nd March 2021

Dear Parents/Carers,

As we move into the summer term, we are going to start offering some before and after school clubs again to our children. We have very much missed being able to offer a range of enriching extra- curricular clubs but due to the current restrictions, we will only be able to offer these clubs to bubbles and therefore this will mean that there will be fewer clubs available and there will be restrictions on the number of children attending. Unfortunately, we still have to follow our covid-19 risk assessment which requires that these control measures are still in place.

The start dates for the individual clubs are shown below (please note that not all clubs commence in the first week back) and will only be cancelled in unavoidable circumstances. Parents will be able to book onto these clubs from **Tuesday 23rd March 2021**. Clubs will only go ahead if sufficient numbers of children attending make them feasible to run.

Below is an overview of the clubs that are being offered for next term.
