January 2020

Hi everybody

After School Creative Writing Workshops at Gayton Primary

We are happy to announce that we will be running after school creative writing workshops for those in Years 3 to 6 at Gayton Primary during spring term 2020.

Starting Wednesday 15th January, the sessions will run from 3.25pm to 5pm with an initial run of 5 weeks, leading to half term followed by another run of 6 weeks. The cost will be £10.00 per child per week with a sibling deduction of 50%.

Each half term we write a short story based on a different theme. During the sessions we, initially, play some word games and exercises to help us get inspired with ideas. We then plan and write our stories. I also show everyone some top tips and literary devices to really help make their stories special. At the end of each workshop there is chance for children to show to everyone else their ideas for their stories and to read out they have written.

These sessions can really help your child write excellent stories for school as well as writing for pleasure at home. At the end of term, the children will be able to bring their books home to show you their work.

For those who do not know us, we run creative writing workshops across the Liverpool City Region for children and across the north-west for adults. We also run the Wonderful Writers competition over summer for young authors in Wirral and the workshop leader, Charlie Lea, is a published author who is currently writing his second book.

If you would like to book your child(ren) onto the course for the first half of spring term or would like some more information then please get in contact with me via charles@readnowwritenow.org.uk. Please note, there will be a maximum of 15 children on the course.

Best wishes

Charlie Lea
