15th January 2021

Dear Parents/Carers,

As we come to the end of week 1 (of our first full week of remote learning), we thought it would be useful to survey parents to find out your thoughts about what is working well and any ideas that you have for aspects that we could improve.

I am incredibly proud of all the staff at Gayton for their ability to adapt so quickly to new ways of working; their positive approach to solving any obstacles that we have come across and their ongoing dedication that they give to teaching and supporting children working both in school and at home. It has been wonderful this week to be able to walk around school and see all our children interacting with staff whether that be in school or at home.

We are also so grateful to all our parents, you are doing an incredible job of managing the enormous challenges that working and educating at home brings. Attendance at Google Meet sessions has been very good and the response to work set via Google Classroom has been excellent. It is lovely to see children taking care and pride in the work they submit.

We know that some families may be struggling with access to devices. The Government are funding some additional devices for schools. However, our allocation from the government is 2 chrome books which is not going to make a huge difference. We have a small amount of older laptops that we can loan out, so if you are struggling for access to devices, please record this on the form and we will be in touch with you.

Please click on the link below to complete the survey.

<https://forms.gle/y67V2i4ubGfmrkqe6>

The survey will close on Wednesday 20th January 2021. If your child has been attending school and you have not experienced our remote learning offer then you do not need to complete the survey.

Thank you for your continued support.

Have a lovely weekend everyone and stay safe.

Kind regards,

Mrs McAleny
