

Maths

1. White Rose daily lessons
<https://whiterosemaths.com/homelearning/year-1/>

Active/PE

Bat and Ball Skills - Practise bat and ball skills. You could try and make your own bats and hitting paper if you don't have your own at home.

Yoga - Cosmic Kids Yoga Just Dance - Youtube

DI

1. Design a boat that you could make at home (think about using materials you have at home, e.g. plastic boxes, straws, cardboard tubes etc)
2. Make your boat - think about to make the structure stable and waterproof!
3. Test your boat. Does it float?

Geography

1. Using maps/atlasses/globes/the internet, find out what the 7 continents are.
2. Choose one continent and find more information/facts about it. Make a poster/fact file about it. You could include pictures and some of the vocabulary below too.

Key Vocabulary -

globe, continent, Africa, Europe, Antarctica, North America, South America, Asia, Australia, Pacific Ocean, Indian Ocean, Atlantic Ocean, Arctic Ocean, Southern Ocean,, map, atlas.

Home Learning Project

Year 1

Where Would You Travel To?

History

Lives of Significant Others - Christopher Columbus

1. Research Christopher Columbus - who was he? What was he famous for?
2. Make/create a fact file all about him. Try drawing a picture of him too.
3. You could have a go at writing a diary as if you are Christopher Columbus.

Key Vocabulary

New World, continent, America, sail, ship, Atlantic Ocean, voyage, navigate, colonies, explorer

Science -Seasonal Change

1. Create a spring picture - include different signs of spring. This could be on paper or a collage in the garden!
2. Can you do your own spring weather report?
3. Draw/write about the differences between Winter and Spring.
