<h2>TOPIC AND SCIENCE</h2> <p>The topics we would have been studying this half term you can find on the attached 'Topic Web'. The 'Web' lasts for 2 weeks so you can take your time completing them. Please use these as a guide and feel free to tweak them or try your own activities based on those topics.</p>	<h2>PHONICS (recap Phase 5 set 1)</h2> <p>Some suggestions for phonics activities for this week...</p> <p>http://www.oxfordphonicschecksupport.co.uk/generate</p> <p>Use this website to generate a list of phase 5 sounds. Place these words around the house/room. Play some music you can all dance to. When the music stops have a go at reading the word closest to you.</p> <p>*Something easier: Use phase 3 and 4 sounds. **Something harder: At the end sort the words into real and pseudo words. Can you write sentences with the real words in?</p>										

PSHE

You might be feeling lots of emotions at the moment and that's ok. Have a look at the attached sheet of Health and Wellbeing activities that might help you feel calmer and happy.

Remember Yoga and meditation is also fun to try. Cosmic Kids Yoga on Youtube and the Headspace App have activities you can try too.

Remember the most important thing right now is to stay safe and healthy.

Please look after your family and make sure that you are being kind and trying your best all the time.
