YEAR 5 HOME LEARNING

WB 18th May 2020

-
MATHS
White This week, WHITE ROSE MATHS
Rose Maths focuses on fractions.
Day I- Add and subtract fractions – Fairly
straightforward as the denominators are the
same within each question
Day 2-Add fractions – you'll need to use
equivalent fractions (and for Day 3)
Day 3-Add mixed numbers
Day 4-subtract mixed numbers – some
interesting challenges in this session
Please complete the worksheets for each day
either on the worksheets or writing the
answers into your home learning book. The
worksheets can be downloaded from the home
learning area of the VLE.
If we had been in school we
would have continued to look
at 'Converting Units of
Measure'.
https://www.thenational.academy/online-
<u>classroom/year-5/maths</u> Follow the link to
the Oak National Academy, scroll down to
the Converting units of Measure section and
try the following 5 lessons.
 To convert miles and kilometres
• To convert between grams and
kilograms
• To convert units of mass
• To convert between pounds and
kilograms
 To apply measures and conversions

in context

SPELLING ei and ie words ei and ie words friend medieval obedient shield yield pier patient Spend some time practising these words.	WRITING Please go into the homework section of the VLE and open up the powerpoints: English MMP Session 5 and English MMP Session 6. We'll explore more of our class book.
Topic or Science Work.	Additional Grammar work:
The project is still available for you to try	You don't need to do any additional
for the next few weeks.	grammar tasks as there is a lot of grammar
This term in Y5 we would have been	within the PowerPoint sessions.
studying plants. Please see the project that I have put together for you to be able to find	However, if you want to do some specific
out all about plants.	sentence work on parenthesis, I've added a
This will include some computing, science &	couple of worksheets for you to try.
art work.	
Can you make a poster to show everything	
you have learnt about plants and upload it to	
the VLE for everyone to see?	
PSHE	Remember the most important thing right
	now is to stay safe and healthy.
Please see the attached health and well-	
being ideas from some of our school staff.	Please look after your family and make
How many of them can you complete?	sure that you are being kind and trying
T	your best all the time.
Think about which of these you might be able	
to use if you are feeling a little bit down or a	
bit upset at times.
