Dear Parents/Carers,

RE: End of Year Report (Y1-Y6)

Please find enclosed your child's report for this academic year. It is important to note that your child's report is based on teacher assessment up until March 20th 2020, when the COVID 19 lockdown began.

Academically, within the report we refer to your child working at the following stages:

- ***Working below expected standard (BLW)***
- ***Working towards expected standard (WTS)***
- ***Working within expected standard (EXS)***
- ***Working at a greater depth than expected standard (GDS)***

Please note that there is no expectation for schools to provide an attainment update to parents this year, however we felt as a staff that it would be useful for parents to have this information. It is important that parents recognise that many children may not have achieved either GDS or EXS as the staff may not have had enough evidence by March to be able to confidently report your child as working at this level. This therefore needs to be taken into account when reading your child's report.

Within the report, we will also report on your child's attitude to learning:

- ***1- Excellent.***
- ***2- Good***
- ***3- Satisfactory***
- ***4- Improvement needed***

If you have any questions about your child's report and would like to discuss it with the teacher, please contact the school office to make an appointment for a telephone conversation with the teacher, who can ring you back.

Enclosed in this envelope is a comment sheet for any comments that you wish to make to your child's class teacher. Please ensure that these are returned before the end of term so that they can be shared with the class teacher.

Staffing updates:

I am very happy to announce that Mrs Daly is pregnant and will therefore be commencing her maternity leave in December. We will therefore be advertising in the autumn term for a maternity leave teacher.

There are no other planned changes to the teaching staff for next academic year and all teachers will be remaining in the current year groups they teach in. As you will be aware both Miss Hudson and Mrs Daly have not been in class due to it being deemed that it is too high risk due to their individual health needs.

From September, we are hopeful that they will both be back in class as long as the R rating continues to be low. Next week we will arrange a Google Meet session with your child's new class teacher. Timings for this will be sent home.

Mrs Chadwick and Mrs Bradshaw are both leaving Gayton at the end of the academic year. Mr Holloway, our site manager is also leaving. All three are long standing members of staff and we are very grateful to all of them for everything they have done for the school and our children during the time they have worked here. They will be greatly missed and we wish them all well in their new endeavours.
